

## ELIGIBILITY CRITERIA

Any child dealing with physical and or mental illness under the age of 18 whose families are not economically able to meet the needs of the family due to the child's sickness.

Parents or guardians of a child suffering from an illness are eligible to apply for funding through the Outreach and Social Work Division of the Janeway Hospital.

## CONTACT INFORMATION

Any family seeking financial support through our Foundation, please contact the Social Work Division of the Janeway Hospital for further details.

**HELPING  
SICK CHILDREN**

in the province of  
Newfoundland and Labrador

## CHARITY PROFILE

Newfound Foundation is a registered charitable foundation established by Newfound Riders and incorporated in 2006. The objective of the Foundation is to assist children in need, in particular those many children and families who do not meet specific criteria for assistance by other organizations and end up with unmet needs. The Newfound Foundation offers assistance to these children and their families.

Some examples of how our Foundation and ultimately Newfound Riders support children in need include:

- providing transportation, meals, and accommodation costs for both in and out-of-province medical treatment(s);
- paying for medical devices, supplies and equipment that is purchased or rented;
- covering the cost of medication where there may be no provincial or private insurance plan coverage available.

## FUNDING GUIDELINES

Newfound Foundation is strictly a “Children's Charity” and our mandate is to provide assistance to children and families who are facing financial hardship due to illness of a child.

We strive to help lessen the financial burden placed on families when they need it the most.

Recipients of the funds are identified through the Outreach and Social Work Division of the Janeway Hospital where Provincial Social Workers work directly with the families in need. In turn, the request is sent to our Foundation where approval of funds are handled. The need for funding, including the names of children, parents or guardians is strictly confidential and is held in the upmost trust.

## OUR SUPPORTERS

Newfound Riders is the primary financial supporter of the Newfound Foundation. It sponsors an annual motorcycle draw, the proceeds from which are passed to the Newfound Foundation for dissemination to children and families.

Since our incorporation in 2006 we have helped many families in need in our province, some through larger donations and others through small acts of kindness.

Each Year,  
Newfound Foundation  
provides funding to  
hundreds of families  
throughout Newfoundland  
and Labrador
